The Gala Dinner and tour of the MCG was very well attended, and the tour of the grand stadium attracting a lot of interest.

## Merino Country Fashion Parade

Our thanks to Kerry Richards (1997) for providing a most entertaining fashion parade of her woollen garments from Merino Country, with a few young Nuffields showing a modest level of modelling ability. Kristan Lefroy (husband of a Nuffield), Andrew Nagorcka, Tony Barker, and Vaughan Templeton (NZ). They were complimented by a few young ladies - with considerable more modelling talent.
